

Hello Pine class.

I hope you are all well and enjoying time with your family. My little family is glad to have me at home, even though I miss you.

This is my little family, Shelton is 14 and likes to climb on his tree to look at me working. Holly is 2 and is enjoying the sun in her bed. Rowan is 14 and likes cuddles. Felix is 17 and has been outside enjoying the sunshine.

Do you have any pets?

Hope to see you all soon.
