

**ASH LEA**

*Working together to be  
the best that we can be*

Dear Parents/Carers

Please find the leaflet about a club that your child may like to attend.

The club is run out of Nottingham University by the university students. They run 8 events a year based either at the university or off site where transport is organised.

Each child who attends has a 1:1 buddy and the children with physical needs and medical needs are able to attend as the students have undertaken training.

Sessions are run on Sundays during term time and are open to approx. 30 children. The places are allocated on a first come first served basis, however if you are new there is priority and your child would be paired with the most experienced students.

Many of our pupils already attend and were extremely keen to share their experiences with the other pupils on Friday when two of the leaders came to talk to us.

Please have a look at the leaflet for more details and if you wish to speak to parents who have children that already attend, I am sure this can be arranged.

With regards,

Dawn Wigley  
Head Teacher
