

Hello Pine!

Miss Evans had her lunch in the garden today. Did you have your lunch in the garden too? Whilst I was out there I saw.....

- 1 pretty butterfly – that landed on my shoe!
- 1 big fat bumble bee
- 1 little ladybird
- Lots of creepy crawly ants
- 1 BIG cobweb
- 2 black flies

Can you go out into the garden and see what you can find or see? In your home/school pack is a Scavenger hunt maybe you could find things on there?

You could also plant your peas or beans that are in your home/school pack too.

Please send me pictures and let me know how you get on!

From Miss Evans
