

# Art Task

## Origami – Fine Motor Skills

Use the instructions to have a go at some paper folding. There are lots of designs you can try. I would love to see your paper folding creations.

### Origami Fish

#### You will need:

- 1 square piece of paper (at least 12cm x 12cm)
- black felt tip pen

1. Fold the two diagonals.

2. Turn the paper over and fold the vertical and the horizontal line.

3. Hold the paper on both sides and push it together at the folded lines.

4. This creates a triangle.

5. Fold the right corner to the middle to create a fin.

6. Finally fold the left corner on top of the right corner. Turn around the fish and use your black pen to draw an eye.
