

HOW TO MAKE A LOO ROLL BIRD FEEDER

This is messy fun that the children will love getting stuck into. You can make this simple bird feeder with items you probably have at

home. It is a lovely way to learn about the different birds in your area and an easy birdwatching experience from home!

Below are the items you need to complete your bird feeder:

1. Peanut butter (no added sugar or salt are more suitable for birds).
2. Toilet roll tube.
3. Bird seed
4. String/ribbon/rope.

How to make your bird feeder:

1. Smother your cardboard toilet roll tube in peanut butter.
2. Roll it in bird seed and thread some string through the hole.
3. Tie it up in your garden where the birds will feel safe eating.

Have a go at trying to spot all the different birds that come into your garden! Can you match them up with the pictures below?

Common garden birds to spot on your bird feeder!

Not only do you get the chance to watch all these different birds in your garden. You are helping them by supplementing their wild diet, keeping all these birds happy and healthy. Well done for being such a great help to your feathery friends!
