

Know Your Facts

Fill in the missing numbers.

Number Bonds to 10

10	
6	4

10	
5	

10	
9	

10	
	3

10	
	8

10	
4	

Number Bonds to 20

20	
13	

20	
	10

20	
16	

20	
	3

20	
	8

20	
5	

Tricky Tens

Fill in the missing numbers by counting on in tens.

4	14	24					
---	----	----	--	--	--	--	--

27	37				77		
----	----	--	--	--	----	--	--

19			49				
----	--	--	----	--	--	--	--

Missing Numbers

Write in the missing numbers to make the number sentences correct. Think about the number bonds that make 10 and 20.

• $6 + 7 + \square = 20$

• $5 + 9 + \square = 20$

• $3 + 8 + \square = 20$

• $4 + 5 + \square = 20$

• $9 + 1 + \square = 20$

• $6 + 5 + \square = 20$

• $3 + 9 + \square = 20$

• $7 + 5 + \square = 20$

• $9 + 9 + \square = 20$

• $8 + 8 + \square = 20$

Fill the Gaps

Fill in the missing numbers in these calculations.

$6 + \square = 12$

$5 + \square = 14$

$9 + \square = 13$

$4 + \square = 10$

$8 + \square = 16$

$\square + 6 = 11$

$\square + 7 = 14$

$\square + 5 = 9$

$\square + 9 = 16$

$\square + 10 = 15$

$15 - \square = 8$

$18 - \square = 11$

$13 - \square = 7$

$11 - \square = 3$

$14 - \square = 8$

$\square - 6 = 9$

$\square - 5 = 6$

$\square - 7 = 9$

$\square - 4 = 8$

$\square - 9 = 10$
