

## Nature Activities

- Look at Sesame streets Grover talking about plants. <https://m.youtube.com/watch?v=ZDjFZVqiLvY>
- Make a seed painting with seeds from flowers in your garden. Splat some paint on a piece of paper, add a squirt of glue then use a spoon to mix it round, spreading it across the paper then blow the seeds onto the paper.
- Using a piece of paper and some wax crayons do some leaf, bark rubbings, make up a little song to help your child engage - Rub rub rub the leaf, make a pretty pattern.
- Scatter some wild flower seeds, water and tend them, watch them grow. See how they attract Butterflies, Bees and other insects. Take pictures of their lifecycle and share with friends and school.
