

Play dough recipe

You will need:

- 2 cups plain flour
- 2 tablespoons vegetable oil (baby oil and coconut oil work too)
- 1/2 cup salt
- 2 tablespoons cream of tartar
- 1 to 1.5 cups boiling water (adding in increments until it feels just right)
- few drops glycerine (my secret ingredient for stretch and shine!)

Optional

- Use food colouring (gel works best) to choose the colour
- Add a smell! Why not add some lemon rind, or some elderflower food flavour, to add a floral smell to your garden?

Method

- Mix the flour, salt, cream of tartar and oil in a large mixing bowl
- Add food colouring TO the boiling water then into the dry ingredients
- Stir continuously until it becomes a sticky, combined dough
- Add the glycerine (optional)
- Allow it to cool down then take it out of the bowl and knead it vigorously for a couple of minutes until all of the stickiness has gone. * This is the most important part of the process, so keep at it until it's the perfect consistency!*
- If it remains a little sticky then add a touch more flour until just right
