

Sudanese Masks

Living Art

You will Need:

- Feathers
- Pom Poms
- Collage materials
- Glitter
- Lollipop sticks
- Paintbrush
- PVA Glue
- Mirror
- Paper Plates
- Clay/Playdough (optional)
- Sculpting tools (knives, forks, chopsticks)

Activity

- Look at yourself in the mirror. Can you find your nose, mouth, eyes, hair and ears.
- With a paintbrush or feather tickle the part of the body that you are looking at.
- Explore the different materials you want to add to your mask.
- Choose where to put your eyes and mouth. (A grown up may need to help cut these out)
- Choose from collage items you have played with to make a mask.

Optional

- Get your piece of clay or playdough.
- Practice rolling the clay or play dough.
- Flatten the clay or dough using your hand or foot.
- Using tools scratch out a face to make with your mask.
- Use the collage materials to decorate your mask
