Morning	Weekly challenge Have fun with water, get the paddling pool out, splash in puddles, play in the bath, get a tray to put your feet in or have a water flight.	Song time Sing along with some water songs from the web page	Sensology Try focusing on your listening this week. What noisy things do you like from around your house?	Play Enjoy some more water play. How about adding sponges, sprays, containers to fill and empty or food to hunt for into your water.	Song time Sing along with some water songs from the web page
Afternoon	Music and massage Try the music and massage session from the website.	Stop and Go See resources on school web page.	Cooking Smell and taste some different fruits. Then squash or blend the fruits and freeze to make your own ice lollies.	Music Put on your favourite music and have a dance with your family.	Switch / Cause and Effect Explore your switch toys or bubbles this week. Watch the bubbles fall and see if you can pop them. See the website for our bubble video if you don't have any at home.
