Morning	Weekly challenge Nature art- go outside and collect some interesting objects. Can you find stones, leaves and twigs? Use these to make an original piece of art.	Song time Sing along with some <u>number</u> songs from the web page	Sensology Make some sensory bottles or bags to go along with your story. Follow instructions on the web page for Bear hunt sensory resources.	Play Enjoy some nature play. Playing in soil and filling plant pots or explore some bird seed in a tray. You could help an adult make some fat balls or a bird feeder. There are lots of ideas on the internet.	Song time Sing along with some <u>number</u> songs from the web page
Afternoon	Music and massage Try listening to the nature sounds video on the web page and having a massage.	Stop and Go See resources on school web page.	Cooking Sensory Strawberry cheesecake. Recipe on web page. Explore each ingredient as you go, taste, smell touch it. Look for children showing likes and dislikes.	Music Watch or listen to story of flowers video on the web page. Try stretching your arms up high and growing like a plant. Maybe you could tap out the rhythm of the music on your child's body with your fingers.	Switch / Cause and Effect Explore your switch toys or toys with buttons and sounds.
