*Working together to be
the best that we can be*

24th July 2020

Dear Parents / Carer,

Well we have reached the end of another school year. Not one any of us would have predicted!

I have said this before but I am not ashamed to say it again; I am extremely proud of us all, pupils, parents and staff. We have really worked together to keep us safe and happy.

September and the new school year will be here sooner than we think and the whole school will be returning. I have put together a parent guide to what that is going to look like for us.

The school will still need to be risk assessed around Covid-19 and therefore will look and feel different. However, the staff will put into place everything it can to support a smooth transition and support package.

The first day of school for the children will be Thursday 3rd September; school is open from 1st September if you needed to speak to someone or your child's class teacher.

I hope that you are able to have a break and relax over the holidays and I am looking forward to seeing you all in September.

Best wishes

Dawn Wigley
