

# Sunflower Lanyards

We know that many of our Children and Young People with SEND are finding the wearing of masks difficult and of course are exempt from wearing them.

-  Have you or your child suffered any discrimination, or upsetting incidents, for not wearing a mask?
-  Have you heard of the hidden disabilities Sunflower Lanyards and Mask Exemption Cards?
-  Could this help your child?

**Notts PCF** would like to help all children and young people with SEND by giving them a Sunflower Lanyard and card.

Comment below with a sunflower  if you would like one or email us at : [chair@nottspcf.org](mailto:chair@nottspcf.org) or phone us: [07895185084](tel:07895185084)
