

WORLD
**BOOK
DAY**

4 MARCH 2021

Share your favourite story for our library display....

We are currently in the process of revamping our school library and we want you all to get involved! We want to create a display of all your favourite stories and hopefully give each other some inspiration for the next book you read.

For World Book Day, Thursday 4th March 2021, we would like you to tell us about your favourite book. You can draw a picture, write a short review, paint or collage a picture, have a photo of you dressing up or with your toys, the ideas are endless and we cant wait to see them all.

Or you could design your own book and characters!

Every piece we receive will be entered in to a prize draw to win a book voucher.

Don't forget you can share stories at home with your family and dress up as your favourite book character if you want too!
