connecting sight, sound and life

# **Sense College Loughborough**

## **Virtual Open Day**

Start with a virtual tour of the College and an overview of what we can offer, followed by dedicated sessions on each of our curriculum pathways, hear from the therapies teams, learn about our transitions programme, and find out about our Social Care provision, Flexible Futures.

**Book now to  
'virtually' visit us  
and speak to our  
team about what  
we can offer!**

## What's on offer?

We will be delivering a mixture of live and pre-recorded videos throughout the day which offer information about the College, Q&A sessions, and fun activities you can enjoy from your own home!

## Who's it for?

Whether you have already applied to join us soon, or are looking for a college placement in the next few years, then our Virtual Open Day is for you! Things are a little different right now, so while we can't invite you into the College, we still want to give you the opportunity to have a look around and meet us.

## Do you have any questions?

If you have any questions ahead of the Open Day, please send them to us! We will make sure we answer them on the day!
