## What's on offer?

We will be delivering a mixture of live and pre-recorded videos throughout the day which offer information about the College, Q&A sessions, and fun activities you can enjoy from your own home!

## Who's it for?

Whether you have already applied to join us soon, or are looking for a college placement in the next few years, then our Virtual Open Day is for you! Things are still a little different at the moment, and you might not feel comfortable about coming into College, but we still want to give you the opportunity to have a look around and meet us.

## What would you like to know about the College?

If you have any questions ahead of the Open Day, please send them to us! We will make sure we answer them on the day!
