

We all know that talking is so important, don't we ...

- that's why we'd like to hear from you.

Please get in touch by completing a short survey to tell us about your experiences of how your child's speech, language and communication has been supported.

The survey should take no more than 10 minutes to complete.

There are no right or wrong answers, we just want to hear about how things were for you in your child's early years.

The link to the survey is:

The survey is open from 17<sup>th</sup> January to 11<sup>th</sup> February 2022

Everything you say will be confidential and will be used to help shape future services. Thank you for your time.
